This large one-bedroom apartment is ideally located in the heart of Antibes town centre, on the fifth floor of a well-maintained residence with lift, communal parking and co-ownership regulations dated 15/02/1963. The apartment has recently been fully renovated and enjoys an ideal location between Antibes and Juan-les-Pins. It is close to shops, town attractions, beaches, the train station and bus stops.

This attractive apartment, with a floor area of 58.47 sqm (Carrez Law), consists of an entrance hall with storage cupboard, a large living/dining room, a separate fully fitted kitchen, a shower room, a separate WC with wall-hung toilet and window, one bedroom with built-in wardrobe, a balcony serving the living room (south-facing, slightly west-facing) and a corner balcony serving the kitchen and bedroom.

In very good condition and tastefully decorated in a modern and neutral style, with a functional layout, the apartment benefits from a city view from the living room, a partial sea glimpse from the bedroom side and natural cross ventilation thanks to its dual aspect.

Comfort is ensured by double-glazed windows and French doors, air conditioning in the living room/dining room, a new electrical installation, floating parquet flooring (living room, bedroom and hallway), tiled floors (wet rooms), collective heating, fibre-optic internet connection and an electric hot water tank.

A cellar completes this property. It is also possible to acquire, at an additional cost, a large garage located on the ground floor of a nearby residence.
